No. 27(2)T.B./49.—As a result of Resolution No. 1-T(4)/48 issued in the Ministry of Commerce, dated March 20, 1948, and of subsequent directives in October 1948 and March 1949, the Tariff Board made an enquiry into the desirability or otherwise of

- (i) granting protection to "Plastic goods including moulding powder used in the manufacture thereof and including spectacle frames manufactured from imported cellulose acetate and cellulose nitrate and,
- (ii) abolishing or reducing import duty on cellulose, cellulose acetate and cellulose butyrate which are used in the manufacture of plastics goods.

2. The Tariff Board has made the following recommendations:

- (1) Protection should be granted upto March 31, 1950;
- (2) The existing revenue duty of 30 per cent. *ad valorem* on phenol-formaldehyde moulding powder should be converted into a protective duty;
- (3) The duties of 25 per cent., Standard, on phenol and of 36 per cent. Standard, and 26 per cent. Preferential, both on formaldehyde and hexamine, these three being the principal raw materials used in the manufacture of phenol-formaldehyde powder, should be refunded on import to the manufacturers of moulding powder, who have a minimum annual production of 200 tons;
- (4) In the case of that section of the industry which is engaged in manufacturing plastic goods, e.g., soap boxes, combs, knitting needles and spectacle frames, etc., duty on raw materials, i.e., both moulding powders (other than phenol-formaldehyde powder) and resins and on semi-fabricated materials not manufactured at present in the country, should be reduced from 30 to 20 per cent. *ad valorem*, i.e., on Urea-formaldehyde moulding powder, polystyrene, cellulose acetate, cellulose nitrate, cellulose butyrate, polyvinyl, cast resins (other than phenol-formaldehyde resins), sheets, rods and tubes;
- (5) In respect of electrical accessories, such as wall-plugs, switches, ceiling roses and lamp holder, the existing revenue duty should be converted into a protective duty, the present preferential rate of 24 per cent. in respect of imports from the United Kingdom being increased to 30 per cent. and the standard rate being adjusted in accordance with the terms of the Indo-British Trade Agreement of 1939;
- (6) (A) Celluloid, raw, imports of which are—
 - (i) free for the manufacture of combs under notifications dated March 9, 1946, and September 1, 1948; and
 - (ii) subject to a 30 per cent. duty for other uses should be subject to a uniform duty of 20 per cent., independently of the use to which it is put;
- (B) Since polystyrene has largely replaced raw celluloid in the manufacture of dressing combs, the notifications should be suitably amended.
- (7) In the case of articles of general purposes utility, e.g., combs, soap-boxes, knitting needles, umbrella handles and spectacle frames, there should be no change in duty;
- (8) In view of the stock position within the country imports of phenol-formaldehyde moulding powder during 1949-50 should be permitted only to

extent of the difference between indigenous production plus such stocks of imports as may exist at any given time and the overall demand; on this basis, no licenses for importing phenol-formaldehyde moulding powder should be issued for the remaining period of 1949;

- (9) There should be no restriction on imports of plasticsware of all descriptions except when such restriction is necessary owing to balance of payments difficulties;
- (10) In view of the necessity for standardising plasticsware and rationalising its production, particularly in respect of all industrial articles like electrical accessories, the scheme recommended by the Panel on Plastics and Celluloid Industries for establishing a central mould-making shop as part of the proposed Central Machine Tool Factory should receive early and favourable consideration;
- (11) The education Ministry's scheme for sending students to the United Kingdom and the United States of America for training in various branches of the plastics industry should be continued;
- (12) The proposal of the Government of India to appoint a suitable plastics expert to assist the manufacturers should be implemented without delay;
- (13) In view of the difficulty of ascertaining accurately the nature of foreign competition in plastics goods in the absence of comprehensive statistics, such goods of all descriptions should be separately shown in the Indian Customs Tariff and in the Statistics Relating to the Sea Borne Trade and Navigation of India;
- (14) The recommendation of the Development Committee on plastic and of the Report of the Delegation of Plastic Manufacturer to the U.K. and the U.S.A. for the establishment of a central moulding-powder factory, which would co-ordinate the production of the existing units and of all such units as may come into existence, should be implemented as soon as possible by Government and the Industry;
- (15) In view of the low standard of living in the country and the consequent restricted demand of plasticsware, the objective should be to produce industrial articles and utility goods which are in demand and within the purchasing power of the people rather than articles of luxury or novelty; and that a suitable programme of priority in the production of plastics goods should be formulated by Government and the Industry in order to achieve this objective;
- (16) The only unit manufacturing moulding powder on a commercial scale in the country, namely, the Industrial Plastics Corporation, Bombay, should be converted into a public limited company at an early date;
- (17) In view of the rapid pace at which new types of synthetic plastics are being evolved and marketed all over the world, it is essential for Indian manufacturers of plastics to keep abreast of technical developments in other countries;
- (18) The plastic industry must co-operate in the various schemes of research in plastics by setting aside funds for pilot plant experiments in order to introduce new materials and processes;
- (19) Early steps should be taken for the formulation and enforcement of proper standards both in respect of moulding powder and finished articles.

13. Government accept recommendations (1) to (3) and (5) to (9) and steps will be taken to implement them.

4. As regards recommendation (4), Government consider that the requirements of the case would be adequately met by a reduction of duty from 30 per cent. *ad valorem* to 20 per cent. *ad valorem* in respect of only cellulose nitrate (sheets, rods and tubes), rennet casein and polyvinyl chloride resin. A Notification under section 23 of the Sea Customs Act is being issued accordingly.

5. As regards recommendation (11), Government do not consider it desirable to proceed further with overseas training of students in plastics till the industry has been able to absorb those who have already received such training at Government expense, none of whom has so far been employed by the industry.

6. Recommendations (10), (12), (13), (14) and (15), will be examined and such action taken as the exigencies of the situation may require and permit. The attention of the industry is drawn to recommendations (14), (15).

7. Government accept recommendations (16) to (19) and the attention of the industry is invited to them.

ORDER

ORDERED that a copy of this Resolution be communicated to all Provincial Governments, all Chief Commissioners, all the Ministries of the Government of India, Prime Minister's Secretariat, Cabinet Secretariat, the Private and Military Secretaries to His Excellency the Governor-General, the Central Board of Revenue, the Auditor General, the Director General of Employment and Resettlement, the Director General, Industry and Supply, the Ambassadors of India at Washington, Moscow, Paris, Nanking, Cairo, Tehran, Kathmandu, Kabul, Ankara, The Hague, Prague, Buenos Aires, and Rangoon, the High Commissioners for India in London, Canberra, Ottawa, Colombo, and Karachi, Charge d' Affaires of India in Brussels, Rome, Tokyo, and Rio De Janeiro, Envoys-extraordinary and Ministers Plenipotentiary of India in Berne, Bangkok and Stockholm, the Representatives of the Government of India in New York and Singapore, Consuls General of India in Pondicherry, Nova Goa, Shanghai, Saigon, New York, Batavia, Kashgar and San Francisco, Minister of India in Lisbon, Consuls of India in Jogjakarta and Jedda, Economic Adviser to the Indian Military Mission, Berlin, Deputy High Commissioners for India in Lahore, and Dacca, the Commissioners for the Government of India in Trinidad, Nairobi, Port Louis and Fiji, Vice Consuls of India in Medan, Zahidan, Jalalabad and Kandahar, Secretary to the High Commissioner for India in South Africa—Cape Town, Agents of the Government of India in Kandy and Kuala Lumpur, Political Officer in Sikkim, Indian Government Trade Commissioners in London, Toronto, Sydney, Mombasa, Alexandria, Colombo, Karachi and Singapore, Commercial Secretaries to the Indian Embassies at Tehran, Paris, Rangoon, Rome, Berne, Kabul, Baghdad, Bangkok, and Rio De Janeiro, Commercial Counsellor to the Indian Liaison Mission, Tokyo, Assistant, Indian Government Trade Commissioner, Dacca, Commercial Attache to the Indian Embassy, Prague, Commercial Second Secretaries to the Embassies of India at Buenos Aires and Brussels, His Majesty's Senior Trade Commissioner in India, United States Embassy, New Delhi, American Consulate General, Bombay, United Kingdom Trade Commissioner in India at Bombay and Calcutta, Commercial Secretary to the High Commissioner for Canada in India at Bombay, Senior Australian Government Trade Commissioner in India at Bombay, Australian Trade Commissioner at Calcutta, New Zealand Government Trade Commissioner in India at Bombay, Trade Commissioner for Ceylon in India at Bombay, Commercial Attache to the Government of France, C/o Embassy of France in India, New Delhi, Swiss Trade Commissioner for British India, Burma and Ceylon at Bombay, Trade Commissioner for Iran at Bombay, Netherlands, East Indies and Holland Trade Commissioner at Bombay, Trade Agent of the U. No. 22(2)T.B./49.—Protection to the Non-ferrous Metals Industry is due to expire on March 31, 1950. The Tariff Board has considered the question as to whether or not this protection should be extended. The Board has come to the conclusion that the industry has benefited by the protection but that in view of the facts that—

- (a) the industry has enjoyed protection for only about 18 months as against three years as recommended by the Board,
- (b) conditions in the industry are far from normal,
- (c) the assistance which was intended to be given to the industry by allowing duty free imports of virgin metals has now been nullified by the increase in their prices as a result of devaluation, and
- (d) a number of manufacturers have acquired new plant and machinery and some of them have only recently gone into full production,

the Board considers that it is necessary to allow some more time to elapse before the effects of the protection can be properly studied. It accordingly recommends that the existing scheme of protection should continue up to the 31st March 1951.

2. Government accept this recommendation and steps will be taken to implement it.

ORDER

ORDERED that a copy of this Resolution be communicated to all Provincial Governments, all Chief Commissioners, all the Ministries of the Government of India, Prime Minister's Secretariat, Cabinet Secretariat, the Private and Military Secretaries to His Excellency the Governor-General, the Central Board of Revenue, the Auditor General, the Director General of Employment and Resettlement, the Director General, Industry and Supply, the Ambassadors of India at Washington, Moscow, Paris, Nanking, Cairo, Tehran, Kathmandu, Kabul, Ankara, The Hague, Prague, Buenos Aires, and Rangoon, the High Commissioners for India in London, Canberra, Ottawa, Colombo, and Karachi, Charge d' Affaires of India in Brussels, Rome, Tokyo, and Rio De Janeiro, Envoys-extraordinary and Ministers Plenipotentiary of India in Berne, Bangkok and Stockholm, the Representatives of the Government of India in New York and Singapore, Consuls General of India in Pondicherry, Nova Goa, Shanghai, Saigon, New York, Batavia, Kashgar and San Francisco, Minister of India in Lisbon, Consuls of India in Jogjakarta and Jeddah, Economic Adviser to the Indian Military Mission, Berlin, Deputy High Commissioners for India in Lahore, and Dacca, the Commissioners for the Government of India in Trinidad, Nairobi, Port Louis and Fiji, Vice Consuls of India in Medan, Zahidan, Jalalabad and Kandahar, Secretary to the High Commissioner for India in South Africa—Cape Town, Agents of the Government of India in Kandy and Kuala Lumpur, Political Officer in Sikkim, Indian Government Trade Commissioners in London, Toronto, Sydney, Mombasa, Alexandria, Colombo, Karachi and Singapore, Commercial Secretaries to the Indian Embassies at Tehran, Paris, Rangoon, Rome, Berne, Kabul, Baghdad, Bangkok, and Rio De Janeiro,
